

37th Philippine Chemistry Congress

Chemistry for Agriculture 4.0 and Food Security

SMX Convention Center, Bacolod City, Negros Occidental, Region VI

July 26-28, 2023

January 24, 2023

To All ICP Members and Chairs of Chemistry Departments:

Greetings from the Integrated Chemists of the Philippines and the Professional Regulatory Board of Chemistry!

On July 26-28, 2023, the 37th Philippine Chemistry Congress (37PCC) will be held in Bacolod City on the theme: "Chemistry and Agriculture 4.0: Chemistry for Agriculture and Food Security."

On July 27 (Day 2 of the 37PCC), the ICP and the BOC will hold its traditional general membership meeting. The agenda for this meeting should be of interest to all Chemistry professionals, as well as Departments of Chemistry:

1. ICP president's report
2. Updates from the BOC and PRC
3. BOC: Chemistry board exams item analysis: Where are the examinees strong and weak?
4. BOC: Proposed revised Table of Specifications for licensure examinations
5. Revisiting the Chemistry curriculum: How can we make it more responsive and relevant?
6. BOC: Proposed Career Progression and Specialization Program for the Chemistry profession

We hope to see you there!

Sincerely yours,

Fabian M. Dayfit, PhD, RCh
Chair, National Organizing Committee

Adoracion P. Resurreccion, PhD, RCh
Chair, Professional Regulatory Board of
Chemistry
